The Sandy Run K-8 family is growing and moving upward. All stakeholders are an integral part of our students' success. For the 2017-2018, the School Improvement Council members have worked diligently to enhance the environment in order to continue to make it conducive to learning. The entrance way has inviting and whimsical seasonal wreaths on the door. Secondly, the front entry are adorned with seasonal flowers and decorations that welcome all our school. Benches were purchased for the Clemson extension pond, therefore students can complete assignments and conduct scientific inquiries. Our Gator Pride is evident. We make everyday a great day.
