Message from the SIC Chairperson

We are pleased to announce another banner year at Baptist Hill Middle/High School. We continue to reach-out to our Sea Island communities. We partner with our PTSA to recognize and aid students and projects to help Baptist Hill grow as a school and a community.

This year the PTSA/SIC recognized six students with scholarships for their academic/community excellence to aid with their post-graduate goals.

We will continue our mission to make Baptist Hill the best it can be by partnering with the PTSA, school, community and supporters to realize the true potential of this exceptional school.
