

R.B. STALL HIGH SCHOOL ANNUAL REPORT TO PARENTS AND COMMUNITY

2024-2025

Purpose of the Report

"This Report is issued by the Myschool School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."

R.B. Stall is home to over 2000 fun, talented, smart, and funny students. Within our student body, we have students from all over the world. Because of this, we can provide a school environment that is rich in culture, language, and experience!

Over the next few years, we will enjoy significant improvements to our facility. Over 49 million dollars have been allocated by our Board of Directors to provide us with a 600-seat auditorium, an additional wing for 600 students, and an expanded eating area to include outdoor seating. Additionally, starting this January, we will begin to see improvements to our athletic complex. We will begin hosting our varsity football games in our backyard, as well as track, soccer, baseball, and softball. Athletes and spectators will also enjoy our new concession stand, 1000-person grandstand, press box, and new restrooms.

We have so much to be excited about here at our school, and I encourage you to stop by and take a look. The Warriors are on the rise, from the Arts to Academics, to Athletics!

Another successful unit inspection!! Yesterday we had our unit inspection and we exceeded with a 98.5% once again. All the hard work that our cadets put in has come to play and was really shown yesterday. We couldn't have done it without our cadets/instructors and from the unit we thank you all for that. Huge shoutout to Mr. Joyce for being so incredibly kind with us and understanding, it was a pleasure showing you our unit and what our unit is capable of doing. Also Great job to our Wing Commander C/Col Jaylne Manigault!! His great leadership and excellence performance has earned him a challenge coin from the regional director! Great job warriors!

Annual SC-031 Award Ceremony. In addition to celebrating our outstanding achievements, we also marked the retirement of Lt. Colonel Off, who has been a dedicated member of our program for many years. His service and leadership have left a lasting impact, and he will be greatly missed.

6 cadets went to Berkeley County Airport and got to fly with LCAA and learn more about aviation!
