Child at a Time!*

Purpose

New Ellenton Middle STEAM Magnet School will be a school of academic excellence that fosters academic achievement through innovative teaching practices, which will include the infusion of Science, Technology, Engineering, Arts, and Math (STEAM) curricula, build strong community relations through the collaboration of all stakeholders, and facilitates the ongoing development of well-rounded, productive citizens.

Title I

New Ellenton Middle STEAM Magnet School is a Title I school that receives federal funding based on the poverty index of our school. This funding is intended to assist in providing programs and educational opportunities to our students.

This year, Title I funds were utilized to pay a teacher's salary for class reduction, purchase laptops for students, computers for teachers, instructional supplies, resources, student incentives, software licenses, provide professional development opportunities and training for our staff, parent communication software, and to sponsor parental involvement activities.
