*The Mission of Abbeville High School is
to develop confident, competent, and
caring individuals by providing
educational experiences that encourage
life-long learning and respect in a
changing world.*

Since the 1950's, Abbeville High School has been serving the town and rural surrounding areas of Abbeville, S.C. Through-out the history of the school, generations of Panthers have achieved academically, athletically, and professionally. We are fortunate to live in a community where young people are given opportunities to achieve in difficult economic times.

Our school improvement focus is:

Goal 1 : Increase parent involvement by formalizing and reinvigorating our SIC process.

Goal 2: Recognize and develop student character through our Panther Pride program.

Goal 3: Increase our students' access to more rigorous courses and on deck courses at Piedmont Tech.

AHS students are performing well on state accountability measures as a whole. Special attention has been placed on curriculum alignment in US History.

Our Algebra 1 passage rate remains among the highest in the state of S.C.

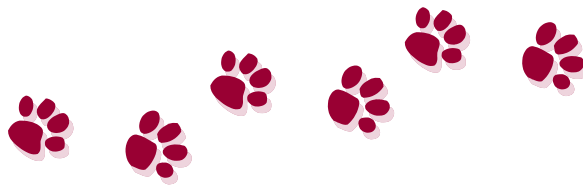

Dear Parent/ Guardian,

The 2014 – 2015 school year has been an exciting and educational year. The faculty and staff have been working exceptionally hard to help every student exceed his or her potential and reach his or her educational goals. Although our state's educational system has been faced with many economic challenges, our teachers and staff have remained focused on each student's performance and utilized the trends within the school's data to help prepare each student for the next grade level and graduation.

On behalf of Abbeville High School, I would like to thank all of our parents, school volunteers, SJC members and Booster Club members. In order for each student to have the opportunity to succeed, the community, school, teachers, students, and parents must continue to make the commitment to work together.

*Thank you for all of your help and support,
Charles A. Costner, Ph.D.
Principal*

Our School

Abbeville High School is located in historic Abbeville County on 701 Washington Street. Our school serves a population of over 500 students in grades 9th through 12th. Our educators provide standard driven classroom instruction supplemented with a variety of programs.

Our goal is to focus on continuous improvement in the total learning environment through our school's mission, goals, and priorities as related to our School Improvement and Title 1 plans. We are fortunate to have positive parent and community support for the overall academic success for our students.

Expect More. Achieve More.

Extra Curricular Activities and Clubs

Beta Club: Members must maintain a GPA of 4.3 and cultivate the principles of service and leadership in their lives.

FFA: A dynamic student-led leadership development organization for students of agricultural education.

Interact: A student-led service organization developing an attitude of service to the school and community.

FCA: An organization for all students that offers spiritual support and service.

Student Council: Student-elected organization to promote student involvement, organize community service projects, and plan for special events.
