Purpose of the Report

This report is issued by the Chicora School of Communications School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.

For more information you may view Chicora Elementary School "S.C. School Report Card" from the previous school year online at www.ed.sc.gov.

Our Mission

The mission of Chicora School of Communications is to provide an opportunity to develop writing skills, public speaking, and awareness of self through an integrated communications theme.

Core Strategies for School Renewal

1. Continually improve curriculum and instruction throughout the school and integrate technology.

2. Establish effective financial control and align financial resources with student needs.

3. Increase performance accountability and evaluation of educational efforts and progress.

4. Involve the community in the school's improvement through increased parent involvement and business partnerships.

5. Implement policies to ensure a safe, clean and orderly school environment.

6. Organize staffing and provide effective training to successfully support high-performance.
