

Our Vision

At A.C. Corcoran Elementary School, we believe we should always be responsible for our actions, treat others with respect and dignity, and strive daily to be the best that we can be!

Greetings from the SIC Chair

I would like to take this opportunity to thank you for allowing me to serve as your School Improvement Council (SIC) Chairperson. The SIC has worked closely with our administration this year to continue to improve the education of the students at A.C. Corcoran Elementary School. We have continued to use mathematics and reading programs to boost our student's achievement scores on the state assessment. Students enjoy using iReady at school and home. Please ask your child about this education programs he/she uses at school. We have collected, and carefully considered data from parents, students, teachers, and test results to identify areas in need of further improvement. The areas addressed this year include the following:

- *Improving communication between the school, parents and the community*
- *Improving Ready scores*
- *Improving SC Ready Test scores*
- *Building a stronger character education pro- gram using Second Steps*

The SIC has made significant progress in these areas and looks forward to, with your help, identifying new goals for the upcoming school year.

Positive Behavior Intervention School

Our school focuses on the development of positive attitudes for learning, for the environment and for each other. Our motto

P Being prepared

A Acting responsibly

W Working to do your best

S Showing respect

Second Steps

The elementary years bring exciting new challenges and opportunities. It's the ideal time to nurture social-emotional competence and develop foundational learning skills. Using the evidence-based *Second Step* curriculum has been shown to **decrease problem behaviors**, and it's designed to promote school success, self-regulation, and a sense of safety and support.
