BURNS' BEARS SHOW THE 3 R'S!

See all the ways students can celebrate earning their points!

Students attended a fall carnival to celebrate earning their points! We had face painting, carnival games and each student received 5 new books!

Our fabulous 5th graders model appropriate behaviors at our annual Town Hall meeting! They taught students what it means to be respectful, responsible and reliable!

Students went Trick-or-Treating for fun goodies around the school. They received candy, books, snacks and drinks!

WELCOME TO BURNS ELEMENTARY!

Rewards, Grants & Initiatives

- Personalized Learning Initiative
- BRIDGE Pilot School
- Physical Education Program Grant
- Fruits & Vegetables Healthy Snack Program
- Green School Initiative Award
- Backpack Grant from private donor

Burns Bears were all given a brand new book bag at their Back to School night. The backpacks were purchased by a private donor and embroidered with the Burns logo...a wonderful way for students to show their Burns pride!

THE 3 R'S!!!

Our students are practicing ways to follow the 3 R's every day:

BE RESPECTFUL BE RESPONSIBLE BE RELIABLE

Students are able to earn points for showing appropriate behaviors throughout the day! They also practice using appropriate language with peers and adults. Here are some phrases you will hear:

- How many points have you earned today?
- Are you making good choices today?
- What privileges are you earning?

READING WITH REALTORS!

Reading with Realtors is a program that partners students with an area Realtor. They read and

mentor their student for one hour each week. What an amazing opportunity for our kiddos! The students even enjoyed an end-of-the-year beach trip with their volunteers.
