STUDENTS FIRST!

Jane Edwards Elementary is a diverse community school serving the families of Edisto Island. We have students in grades PreK/CD through 6th grade.

We have **73** students. We have one teacher per grade level. Our 5th and 6th grades are departmentalized.

Everyday, teachers are supporting students, both academically and emotionally. The first twenty minutes of the school day are set aside for instruction utilizing **Second Steps**, our social-emotional curriculum.

We continue to have school guidance on Mondays and the mental health counselor is available on Wednesdays.

READING MAP GROWTH

Fall 2021 - Winter 2022

Grade 2 - 5: **33%** of students met growth projection

Grade 6: **43%** of students met growth projection

MATH MAP GROWTH

Fall 2020 - Winter 2021

Grade 2 - 5: **47%** of students met growth projection

Grade 6: **29%** of students met growth projection

According to the Spring 2021 SC READY and SCPASS data, the percentage of our students scoring Meets or Exceeds is below both the District and State percentages (see the graphs below).

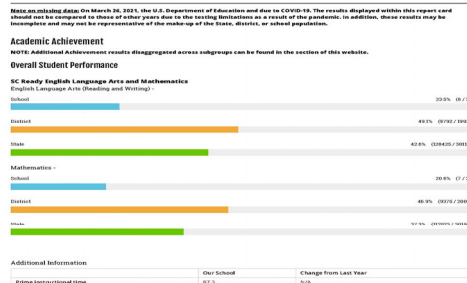

Reading continues to be a major focus area for Jane Edwards. This is harmony with the **CCSD Vision 2027**: By Spring 2027, all students will read on grade level by 5th grade. We continue to support students in reading utilizing:

- Digital Content (iReady, Achieve3000, and No Red Ink)
- Reading interventions
- Weekly library sessions

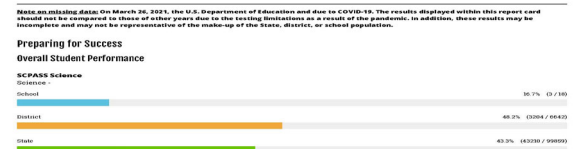

This year, we began quarterly professional development sessions with *Level Up Literacy, LLC* to focus on guided reading instruction.

We continue with math interventions for students needing additional support.

SCHOOL PROJECTS

SUMMER 2021

During the Summer of 2021, our school library received a make-over with new carpet, tables, chairs, and bookshelves. Additionally, Mrs. Smith, our teacher librarian, received a \$5,000 grant from the Laura Bush Foundation for new library books!

We also had a major abatement project, which replaced the floors of our primary hall. We received new cabinetry/counters and classroom sinks.

UPCOMING PROJECTS

We are scheduled to receive a new HVAC system during the Summer of 2022. We are also scheduled to have our primary playground replaced.

The elementary playground is scheduled to be replaced during the Summer of 2023.
