OUR UNIQUE SCHOOL YEAR

Jane Edwards Elementary is a diverse community school serving the families of Edisto Island. We have students in grades PreK/CD through 6th grade.

We have **73** students (69 in person and 4 in the Virtual Academy). We have one teacher per grade level. Our upper elementary grades are departmentalized.

Our school year began in September with **95%** of our students attending school in person. Students and staff have made continuous adjustments to adhere to all safety protocols.

Everyday, teachers are supporting students, both academically and emotionally.

Our students have shown excellent academic growth!

Our MAP data (Measures of Academic Progress) reflects the growth we have seen:

READING MAP GROWTH

Fall 2020 - Winter 2021

Grade 2 - 5: **50%** of students met growth projection

Grade 6: **63%** of students met growth projection

MATH MAP GROWTH

Fall 2020 - Winter 2021

Grade 2 - 5: **65%** of students met growth projection

Grade 6: **86%** of students met growth projection

Reading continues to be a major focus area for Jane Edwards. We continue to support students in reading utilizing:

- Digital Content (Lexia, iReady, and Achieve3000)
- Reading intervention
- Weekly library sessions

This year, we added math intervention for students who need additional support.

Students continue to receive social-emotional support utilizing the **Second Steps** program. Additionally, we have school guidance on Mondays and the mental health counselor comes on Wednesdays.
