## SIC GOALS AND EFFORTS

- By the end of 2026 school year, 20% of the students who were retained or placed in the 2024-2025 school year will not attend Credit Recovery Q1, Q2, or Q3, thus maintaining a 60% or higher in core classes.
- To reach our goal, we use Parent Involvement Aid for check-ins, the NEST House System to build relationships between students and staff, and our Instructional Coach to support teacher growth. Other important and effective school teams include the Student Intervention Team, Youth Development Team, and Leadership Team.
