English

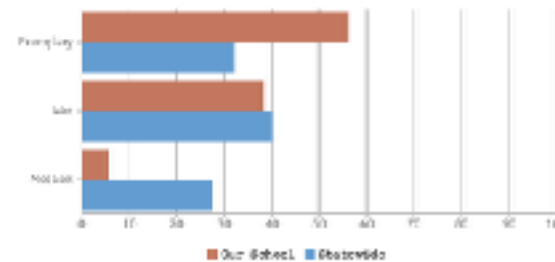

Mathematics

Science

Social Studies

Additional Information

Harbor View Elementary is a wonderful place for students to learn. With a population of over 650 students we are able to offer a wide variety of activities and curriculum to challenge our students.

Our SAIL program (Gifted and Talented) had its largest group ever this year and embarked on wonderful overnight field trips to Camp Sewee and Camp Greenville.

Our school is a 1:1 iPad school which means they have access to an iPad throughout the day which teachers use to offer personalized instruction and enrichment.

Our Wellness program at our school is district recognized and we offer ABL furniture in the classroom for all students to use throughout the day. We also have a HVES Track and Field team along with tennis.

HVES is a wonderful school that challenges students not only academically but socially as well. Stop on by and see the wonderful things that we are doing.

Sincerely,

Mark Connors

Interim Principal
