Purpose of the Report

This Report is issued by the Harbor View School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.

Mission Statement

Harbor View educates the whole child by providing a meaningful, integrated curriculum in a safe, attractive environment with the help of valuable community resources, preparing our students to responsibly assume citizenship in a competitive society.

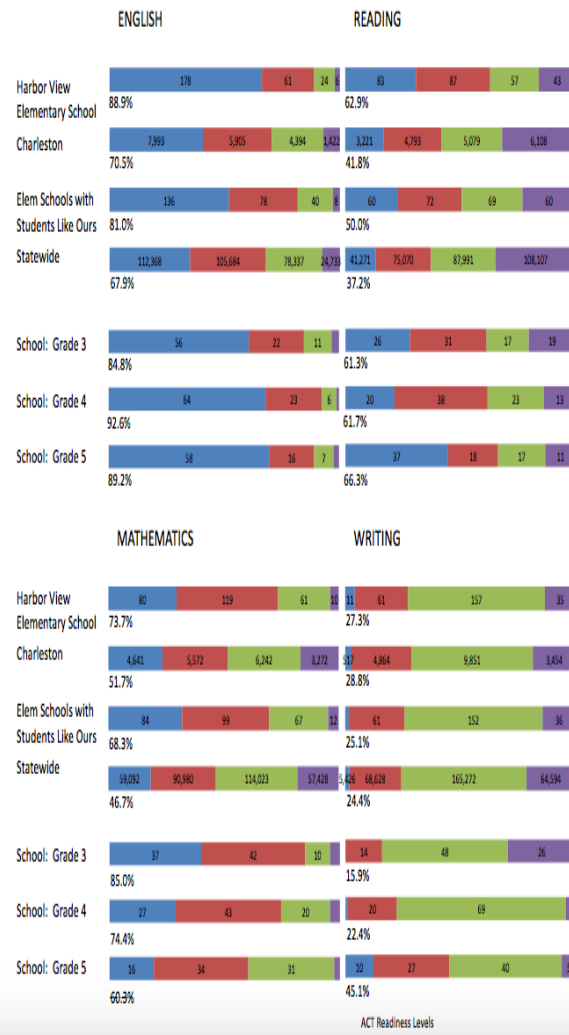

SIC Annual Goals

Harbor View Elementary School will continue to achieve an excellent rating on the SC Report Cards; yearly progress ratings will continue to be met; highly qualified teachers will continue to be retained and recruited; and the percentage of satisfied students, parents and teachers will remain exceptionally high. HVES will continue to promote progress in our curriculum and environment.

Additional Information

We had a wonderful 2015-2016 school year at Harbor View Elementary School. Our student population has grown to 645 students. We had 16% of our students identified as gifted and talented which is up from the previous year. We have 36% of our population that is on free or reduced pay for lunch. On top of being a healthy school we also are a 1:1 iPad school which means all students have access to an iPad during the day to enhance instruction and learning.

This year we had our highest PTA membership rate. Our school received Silver Status for our membership rate. We had a successful Boosterthon Fundraiser that help pay for our students to go on awesome field trips, allow teachers to buy instructional materials such as robotics gear and put on amazing school performances such as The Lion King.

We thank you, parents, teachers and students for all of your hard work, dedication and the positive attitude exuded when you come to Harbor View Elementary School. We look forward to a successful 2016-2017 school year.
