

Dear Parents and Community Members,

Working at Hunley Park Elementary is a privilege! Many families in the surrounding area have asked special permission for their children to attend our fine school. This tells me they have confidence that our staff provides a world class education on a regular basis. We appreciate this reputation very much! A good reputation takes years (and great teachers, students and parents) to create.

HPE met ESEA FederalAccountability System, with 92.4 as our overall weighted points total. This "A" grade conversion indicates that our performance substantially exceeds the state's expectations.

We owe a great deal of our success to our school-wide PBIS initiative and its effective implementation by our teachers and staff. We have won the PBIS exemplar award (the highest PBIS award!) for the past four years. Our SET score for PBIS is typically 100%.

Our Response to Intervention program continues to benefit our students greatly. We registered a 0.2% retention rate this past school year. That is well below "schools like us" as stated on our 2012 state school report card.

We analyze our data received from the Studer group based on students, parents, and teachers satisfaction to plan for our next school year. We look at our strengths and our areas of growth. We will plan well to attack our areas of need. We have very high expectations.

Thank you very much for your continued support of Hunley Park Elementary!

Dr. Anne Dukes, Principal
