
School Achievements

Hunley Park Elementary School continues to maintain its personalized learning approach ensuring the needs of all students per the South Carolina standards and reflecting our Profile of the SC Graduate.

The school implemented a Primary Grade Academy for grades first to third grade and fifth grade designed to provide prescriptive interventions in areas of literacy and math. In addition, we were able to hire an interventionist to work with third, fourth and fifth grade levels for reading.

Mrs. Ashlee Newton (Fourth Grade Teacher) was honored by her peers in November as Hunley Park's Teacher of the Year.

Hunley Park ES

SIC Annual Goals

Hunley Park works with families and community leaders to support our student mission that “we will work together to achieve a safe, secure learning environment where students and staff are accepted and appreciated. We will strive to gain the critical skills and knowledge to be successful in the 21st century” SIC sponsored many events including parent education, Black History and Awards Days.

Positive Character Education and Response to Intervention (RTI) continue to be two major focuses for the school and the means of guiding our efforts in developing solid citizens.

The school’s CORE Team met weekly to address the diverse needs of the student population both inside and out of the classroom.

STUDENT ACHIEVEMENT

Hunley Park Elementary School is a growing success story of the

district’s work with personalized learning. Our students are directing their

own learning plans to master standards.

Students experienced their first taste of the ACT ASPIRE state standardized testing program in Spring 2015. All students in grades third to fifth grade were testing in ELA, Reading, Mathematics, and Writing. Through the SC PASS testing program, students efforts in Science and Social Studies were noted.

“For more information, you may view Hunley Park’s “S.C. School Report Card” for the previous school year online at www.ed.sc.gov.”

Additional Information

Hunley Park Elementary School is a Title 1 School-wide program located on Dorchester Road in North Charleston, SC . We are a neighborhood school across the street from the Air Force Base. The school serves approximately 540 students from Child Development to fifth grade. Approximately 74% of our students receive free or reduced lunch. All certified staff from Child Development to fifth grade are considered highly qualified teachers.
