

# The Strength of St. James-Santee

Our exceptional instructional staff allow us to provide an educational opportunity that very unique for our students. There is more time for one-on-one instruction due to smaller class sizes, as it allows us the ability to focus on each child's strengths and academic needs. Building relationships is also a priority at our school.

## 2017—2018 SJSE Goals

- The SC 2017-2018 School Report Card for SJSE will improve as a result of Improving all Report Card indicators..
- The percent of teachers who are highly qualified at SJSE according to NCLB requirements will remain at 100% in 2017 – 2018 as a result of effective teacher recruitment and retention strategies.
- The percentages of parents, students, and teachers at SJSE who express satisfaction on the SC School Climate Survey will increase to 98% satisfaction in all categories by 2017-2018 as a result of comprehensive school improvement efforts.
