

# Enrichment/Extracurricular Activities

In addition to the rigorous core curriculum, St. James-Santee is dedicated to enhancing student creativity, exploration, and academic success.

- Strings
- Gifted and Talented
- Sports
- Multi-digital Media
- Clubs

Field trips are a great way to give educational experiences outside of the classroom. They enhance the curriculum with real world experiences. They can also introduce scholars to new ideas and opportunities. Along with field trips, special events are planned to spark interest and creativity.

PBIS Celebration

May Day

There are also opportunities for scholar enrichment. Kaleidoscope and 21st Century, our after school programs, provide high quality activities and instruction to meet the needs of our scholars.

## Scholars' Creed

I am a learner at St. James-Santee.  
 I will be the best me that I can be.  
 I will be a Hornet HERO. You will see.  
 And I will be the best me that I can be.  
 I will listen, learn and respect you and me.  
 And yes! I will be the best me that I can be.

**Twitter**

# Home of the Hornets

Our mission is to educate and motivate, while preparing for success and not settling for anything less. All students. All day. All the time.

## Elementary Data

2017-18 SC Report Card Rating— Average

- Academic Achievement—9.13/40
- Preparing for Success—3.49/10
- Student Progress—32.37/40
- Student Engagement—7/10

## PBIS

Positive Behavior Interventions and Support

St. James-Santee incorporates the PBIS approach throughout the day. We focus on creating a positive environment where all scholars will learn. Every scholar strives to be a Hornet HERO. Scholars are recognized for their HERO behavior at the end of each month.

Helpful  
Excellent Attitude  
Responsible  
Outstand- ing

## Middle School Data

2017-18 Report Card — Below Average

- Academic Achievement — 9.98/40
- Preparing for Success — 2.48/10
- Student Progress — 14.57/40
- Student Engagement — 6/10

## Digital Learning Community

St. James-Santee has a one to one technology program. Every scholar has an electronic device. This allows scholars to move through instruction at an appropriate pace with challenging work at their level. Our scholars have access to many research-based and effective instructional sites. They can also be used at home.
