

# The Strength of St. James-Santee

Our small class size and phenomenal instructional staff allow us to provide an educational opportunity that is second to none. There is more time for one-on-one instruction, as it allows us the ability to focus on each individual child's strengths and academic needs.

## 2013—2014 SJSE Goals

- The SC School Report Card Rating for SJSE will increase from Below Average in 2012 to Excellent in 2013 as a result of Improving all Report Card indicators.
- The Adequate Yearly Progress Rating for SJSE will continue to be "Met" through the 2013-2014 school year as a result of achieving high performance on all AYP indicators.
- The percent of teachers who are highly qualified at SJSE according to NCLB requirements will increase to 100% in 2013–2014 as a result of effective teacher recruitment, incentive, and retention strategies.
- The percentages of parents, students, and teachers at SJSE who express satisfaction on the SC School Climate Survey will increase to 98% satisfaction in all categories by 2013-2014 as a result of comprehensive school improvement efforts.
