"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

-Maya Angelou

INTERNATIONAL BACCALAUREATE

Each month, our Mariners focus on the attributes of the IB Learner Profile. Students are recognized by their homeroom teachers for consistently demonstrating these qualities and are celebrated during our CREW Meetings. Through this work, students grow as curious thinkers who explore the world around them, ask thoughtful questions, and make meaningful real world connections.
