- School Improvement Council (SIC)

Highlights...

- PBIS (Positive Behavior Interventions and Supports) Model – banner School
- Kaleidoscope after-school program
- Multiple computers in classrooms
- SMART Boards in classrooms
- Weekly Courier Folders

Midland Park Primary has a current enrollment of 650 students CD – 1st grade as well as our Early Head Start Program that serves students birth – 4 year olds. Our primary focus is to actively engage students in order close the achievement gap and build a solid foundation to prepare students for on-time graduation. We have one master reading teacher and one associate reading teacher that worked with approximately 60 students in 1st grade and one kindergarten interventionist that works with 50 kindergarten students. We also, have one associate math teacher that works with 1st grade students. In addition, we focused on increasing parental involvement, increasing school to home interactions, and enhancing classroom instructional strategies through ongoing staff development. All of our classrooms are now equipped with integrated SMART boards and document cameras. Teacher teams met weekly to discuss the State Standards, Instructional Practices, and data gained from sources such as Common Assessments, Measures of Academic Progress, Developmental Reading Assessment 2, and refined Instructional Calendars. Our Multi-Tiered Systems of Support Team (MTSS) provided the guidance and framework for our Response to Interventions. Opportunities for parental involvement were established through the continuation of family nights, Parent Literacy Events, Health and Wellness, and Math Make and Take Workshops. Communications with parents were sent home in both English and Spanish to inform all parents of school activities. This was facilitated by our school translator. Our parents are always made to feel welcome and are often seen volunteering throughout the school. Our positive school climate allows our children to feel safe in a nurturing environment where they can reach their full potential. We continue to make daily decisions based on data. Our high expectations have resulted in exemplary performances from our teachers and our students. We are excited about our accomplishments and look forward to continued success at Midland Park Primary where “Excellence is Our Standard.”
