

## OUR VISION

Every child will graduate from CCSD with the critical skills and knowledge necessary to succeed in college and the 21st Century global workforce.

## OUR MISSION

The mission of E.B. Ellington Elementary School is to cultivate and promote learning as an essential value in the overall success of our students. We do this by focusing on the whole child, while engaging our students and community in authentic learning experiences connected to the real world. We do this so that our students are prepared to meet the ongoing challenges and demands of a competitive global society, and are equipped to make meaningful and positive contributions to our ever-changing world.

## ADVANCED STUDIES PROGRAM

Ellington is fortunate to be a CCSD choice school offering an advanced studies program at each grade level (K-5). Engaging students in authentic learning opportunities, they will naturally learn to apply their knowledge, skills, and dispositions in multiple contexts. The Advanced Studies learning environment positions students to meet those ever-changing demands and prepare them for the 21st century workforce.

# BUILDING CULTURE

At Ellington, we are constantly seeking ways to enrich our school community. We have the MOST amazing staff who bring energy, love, and the quest for excellence with them daily. We work collectively to support each other, students, and families. We utilize PBIS to celebrate students demonstrating school expectations. Next year, we will utilize the Ron Clark House System to strengthen our sense of belonging with our students, staff, families, and the larger community. The excitement for our future is palpable!
