

OUR VISION

Every child will graduate from CCSD with the critical skills and knowledge necessary to succeed in college and the 21st Century global workforce.

OUR MISSION

The mission of E.B. Ellington Elementary School is to cultivate and promote learning as an essential value in the overall success of our students. We do this by focusing on the whole child, while engaging our students and community in authentic learning experiences connected to the real world. We do this so that our students are prepared to meet the ongoing challenges and demands of a competitive global society, and are equipped to make meaningful and positive contributions to our ever-changing world.
