

Opportunities for Engagement

Donuts for Dads

Children invite a special guest to indulge in donuts provided by PTA.

Family Spaghetti Night

Families enjoy spaghetti, salad, desserts, and fun activities.

Ice Cream Social

Teachers serve ice cream with all the toppings!

Bike Rodeo

Students and families learn about bike safety while riding through a course.

Taste It Tuesdays

Children sample tasty fruits or vegetables each month.

Walk To School

Students meet at a central location and walk to school together.

Find It Out

Parents meet with administrators in a question/answer session.

Career Fair/Touch a Truck

4th-5th graders talk to community members and learn about various jobs. Younger students learn about careers with vehicles and get to see and hear about the machinery on campus.

COVID 19 Impact on JME

In March 2020, there was a mandatory shut down of schools due to COVID 19, and we made many adjustments to help students end the year successfully. As a 1:1 iPad school, JME was able to send each student home with a device for remote learning, and teachers quickly adapted and learned how to teach through Zoom sessions. Although we missed getting to end the year in person, we were able to see our fifth graders in our "drive through" graduation ceremony. Staff lined our parking lot and cheered as we announced each student on the loud speaker, and they drove through our balloon entrance around the parking lot in a parade!

Jennie Moore Elementary School

School Improvement Council Report to Parents 2019-2020

Jennie Moore is a creative arts magnet school located in Mt. Pleasant, SC. Our instruction follows the South Carolina State Curriculum Standards and incorporates integrated learning through the arts. Students enhance their creativity by attending classes in Art, Music, PE, Drama, and Dance. Teachers from the fine arts also work with students and general education teachers by co-teaching standards-based lessons that incorporate various art forms.

The Arts

In addition to providing weekly classes in Drama, Dance, Art, Music, PE, and Computer, and conducting weekly arts infusion classes with homeroom teachers, our fine arts teachers provide the following opportunities for specific grade levels:

2nd Grade Mini Monarchs Chorus

3rd Grade Dance Club

4th Grade Orf Ensemble

4th/5th Grade Chorus

5th Grade Drama Troupe, Advanced Art, Strings

Art Initiatives

PTA Reflections

This is a national art competition that encourages students to create works of art based on a theme. Many pieces of art covering a variety of genres were submitted by our students, and students earned awards at the District and State levels.

Engaging Creative Minds (ECM)

ECM is a partnership with community artists and teachers to integrate creative experiences into the curriculum. Students and teachers benefit from real world artists providing innovative connections to core curriculum, which teachers can implement with new classes each year.

5th Grade Musical

Each year we produce a musical starring our 5th graders, providing them with a culminating activity of their arts experiences. The musical showcases actors, dancers, and singers on stage but also lets students shine behind the scenes as set designers, publicity managers, stage managers, and light and sound directors.

Expanding Learning at Jennie Moore

Author Visits

Children enjoyed presentations from Billy Dixon.

Jump Rope for Heart

JME did not get to fully participate last year due to COVID 19. However, we have been #1 in SC and in the top 10 for the Mid-Atlantic for the past 7 years for contributions to the American Heart Association.

I-Beam Reading Mentors

Community mentors are paired with students to read one-on-one weekly.

Book Battle

The Book Battle is a lively academic competition, promoting reading comprehension and good sportsmanship. The winning school team competes in the district competition.

Read Across America

This is a week filled with literacy activities ranging from buddy reading among grade levels to mystery readers.
