

Our Mission at Morningside

It is our mission to develop scholars that are capable of achieving in every field of human endeavor through a high quality education. We are committed to **TEACHING DELIBERATELY** and **WITH INTENTION**, thus eliminating instructional casualties.

Schoolwide Goals

1. Creating a positive learning environment through the proper implementation of our Positive Behavior Interventions Systems program (PBIS).
2. Creating and supporting a culture of literacy.
3. Owning our data and using it to deliver quality instruction **AND**
4. Exposing our scholars to colleges/universities and letting them know this is an option for them.

College is an option for you!!

Morningside Middle School is a school with SCHOLLARS that are expected and taught to overcome life's obstacles to achieve a better tomorrow. Teachers and staff promote a love of learning and the concept of hope and success through laughter, love, rigor, and hard work.

Why Single Gender?

The ARMS & EXCEL Academies at Morningside provide single-gender based classes. At MMS, we are aware that boys and girls have varied styles of learning. There are differences in the way that boys and girls find themselves, process information, hear and see. Here at MMS we acknowledge those differences with diversified support and instructional strategies. We are committed to a holistic approach that will help your child develop not only academically, but emotionally, socially, and personally.

Benefits of Single-Gender

- Provides a choice for parents and scholars
- Provides another format for addressing academic needs for all students
- Some students may be more comfortable and enjoy learning more in a single-gender environment.
- Teachers are able to address “typical” needs of boys and girls more effectively
- Teachers are able to challenge the “typical” strengths of boys and girls more effectively

VISION 2016
CHARLESTON ACHIEVING EXCELLENCE
