

## MOULTRIE MIDDLE SCHOOL SIC REPORT TO THE COMMUNITY

2020-2021

### Vision Statement

*Moultrie recognizes the unique needs of the middle school student. Through academics, arts, and athletics, we will develop and nurture individuals, empowering them to think creatively and critically to meet the challenges of a changing world.*

	2017-2018	2018-2019	2019-2020	2020-2021
6th	49.61%	51.82%	57.70%	58.00%
7th	54.37%	47.88%	55.92%	51.33%
8th	54.55%	54.43%	56.74%	59.09%
Total	52.84%	51.38%	56.79%	56.14%

  

Math				
	2017-2018	2018-2019	2019-2020	2020-2021
6th	43.02%	50.45%	62.52%	56.07%
7th	55.56%	44.49%	55.28%	47.76%
8th	57.42%	56.12%	61.71%	57.75%
Total	52.00%	50.35%	59.84%	53.86%

## SIC Message to Community

As the 20-21 school year draws to a close, we want to share how incredibly proud we are of our students, parents, and community. Our Patriots continued to shine through the 20-21 school year. We experienced the second highest growth from Fall to Winter in four years in our MAP data and we continued to see strides in the classroom. We were able to start a new high school credit class in French 1 and we had our first group of seventh graders experience Algebra 1. We also were able to add theater and amazing new PLTW courses to our exploratory classes to increase our students' love of the arts and engineering.

Our Patriots continued to still excel outside of the classroom as well. We were able to add many new student clubs and continue our partnership with MPRD with offering high quality athletics. Junior Beta Club and Student Government were able to create multiple philanthropic opportunities to give back to the community and our Women in Charge group continued to challenge our Patriots to explore math, science, and engineering careers while demonstrating and learning about leadership.

We are extremely proud of all that we were able to accomplish in the 20-21 school year. We look forward to building upon this success and continuing to add experience and opportunities to see our Patriots shine and become college and career ready students and truly exemplify the profile of a South Carolina graduate

Chas Coker-Principal  
Dana Edwards-SIC Chair

## Community Outreach

Student Mentoring across all three grade levels  
Support letters to U.S. Troops  
Various supply drives benefitting local charities  
Bioswale & school grounds gardening

Down Syndrome Buddy Day fundraiser  
Cultural Competency Committee  
Make a Wish  
Children's Hospital  
Animal Society

## Academic Highlights

Second highest Winter to Spring MAP growth over the last four years.  
90% in person learning  
Increased STEM class offerings  
"Second Step" implementation schoolwide  
African American History Museum

## Looking Ahead

Here at Moultrie we are excited about the future and the achievements our students will continue to make. We plan to resume full in person teaching for the 2021-2022 school year and having our best year yet! We look forward to offering a full range of experiences to our Patriots and their families and maintaining our standards of excellence to reach new heights!
