

A TRADITION OF EXCELLENCE

Moultrie Middle School is proud to be recognized as one of South Carolina's top middle schools. This distinction reflects the unwavering commitment of our outstanding faculty and staff, who work tirelessly to ensure every student builds strong skills in critical thinking, communication, collaboration, and creativity.

Grounded in the World Class Skills of the Profile of the South Carolina Graduate, Moultrie continues a tradition of excellence in academics, the arts, athletics, and social emotional learning. By focusing on the whole child, we equip students with the skills and confidence they need to thrive in an ever changing world and succeed both in school and beyond.

LOOKING AHEAD

Moultrie's focus for the 2026-2027 school year is strengthening **connection** and **achievement**.

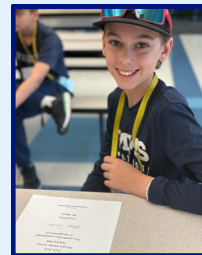

We will implement WEB (Where Everybody Belongs) and enhance Crew Time with team-building and clubs to build a strong school community.

Academically, we aim to grow our EC (Exceptional Children) and ML (Multilingual Learners) performance, increase proficiency and grade-level achievement.

- Top 10 CCSD Spelling Bee Finalist
- 10 students earned perfect scores on SC READY
- More community partners than ever before

MESSAGE TO COMMUNITY

As we reflect on the 2025–2026 school year, we are proud to celebrate another year of growth, achievement, and strong community at Moultrie Middle School. Now in my third year as principal, it has been an honor to lead a school deeply committed to providing a meaningful and well rounded middle school experience for every student.

Our continued recognition as South Carolina's top neighborhood middle school is a reflection of the collective efforts of our students, staff, families, and community partners. Throughout the year, our focus remained on academic excellence, positive school culture, and student engagement. Grade level assemblies, mentoring opportunities, academic support programs, and a wide variety of extracurricular activities helped foster connection, belonging, and pride across our campus.

Students were able to explore their interests through clubs, athletics, arts programs, and unique Lowcountry learning experiences that extend beyond the classroom. Our teachers consistently prioritized strong relationships and high quality instruction, while our families and SIC members played a vital role in supporting student success.

As we look ahead to the 2026-2027 school year, our focus is clear. We are committed to reaching every child and ensuring that every student experiences academic growth. By strengthening instruction, expanding course offerings, and deepening community partnerships, we will continue to support the individual needs, strengths, and potential of each Patriot.
