

MOULTRIE MIDDLE SCHOOL SIC REPORT TO THE COMMUNITY

2024 - 2025

Vision Statement

Moultrie recognizes the unique needs of the middle school student. Through academics, arts, and athletics, we will develop and nurture individuals, empowering them to think creatively and critically to meet the challenges of a changing world.

A Tradition of Excellence

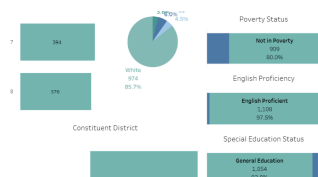

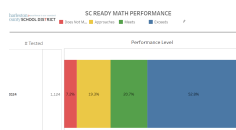

Moultrie Middle School is proud to be recognized as the top neighborhood middle school in South Carolina. Our success is grounded in the dedication of a talented faculty and staff who work tirelessly to support the critical thinking, communication, collaboration, and creativity of *all* students — without exception.

Rooted in the World Class Skills of the Profile of the South Carolina Graduate, Moultrie continues a strong legacy of excellence in academics, the arts, athletics, and social-emotional development. Our commitment to nurturing the whole child ensures that every student is prepared to meet the challenges of a dynamic and changing world.

Lacrosse
Golf

SIC Message to Community

As we reflect on the 2024–2025 school year, we celebrate another year of growth, achievement, and community at Moultrie Middle School. Now in my second year as principal, it has been a privilege to lead such a vibrant school focused on providing a well-rounded and meaningful middle school experience for all students.

Our continued distinction as South Carolina's top neighborhood middle school reflects the dedication of our students, staff, and families. From the first day of school to our final celebrations in May, our focus has remained on academic rigor, positive school culture, and student engagement. Initiatives such as grade-level assemblies, student mentoring, academic support programs, and a wide range of extracurricular opportunities have helped build a strong sense of connection across campus.

This year, students had opportunities to participate in clubs, athletics, arts programs, and special Lowcountry experiences that enrich their learning beyond the classroom. Our teachers have remained focused on building strong relationships and delivering high-quality instruction, while our families and SIC partners have played a vital role in supporting student success.

As we look ahead to the 2025–2026 school year, we are excited to grow our course offerings, deepen our community partnerships, and continue celebrating the unique potential of every Patriot.

Nick Reece-Principal
Dana Edwards-SIC Chair
