The staff of Moultrie Middle School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by continuing a rich tradition of excellence in academics, athletics, and the fine arts. Our primary goal is to help students reach their full potential. We are raising the bar to ensure students are learning at the highest levels, and preparing them for the rigors of high school so they will become college and career ready.

Our students made enormous gains in growth as measured by MAP and SC Ready, and it's our goal to be the number one middle school in the state of South Carolina.

SC READY READING	2016 MEET/EXCEEDS 68%	2017 MEET/EXCEEDS 68.8%
SC READY MATH	2016 MEET/EXCEEDS 61.1%	2017 MEET/EXCEEDS 63.6%

1 Year MAP Growth Reading	Reading 2016 54%	Reading 2017 63%
1 Year MAP Growth Math	Math 2016 51%	Math 2017 64%

Middle school is an exciting time for adolescents. We hold high expectations for student achievement, but we also nurture our students by growing self-confidence and embracing the changes of adolescence.

Students take exploratory classes where they have a choice of band, chorus, orchestra, creative writing, PE/fitness, digital literacy, multimedia, Google Basics, Spanish/world cultures, and several Gateway to Technology courses including: Medical Detectives, Flight and Space, Green Architecture, and Automation and Robotics. The Gateway to Technology courses are STEM focused and engages students in problem solving, design, and real world applications. Furthermore, many students are taking courses for high school credit. Algebra 1, Spanish 1, and Computer Applications are offered to our eighth graders.

Awards and Accomplishments

Students demonstrate a competitive edge and are self-driven to score high ratings at local, state, and national venues in fields such as, band, chorus, and orchestra- all three scoring “Superior” at the state assessments. This year, Moultrie’s Quiz Bowl Team came in first place, our Quest team took 2nd, and one of our 7th-grade students won the Geography Bee State Championship.

Moultrie students extend their outreach to the community through service projects. Students support causes such as Toys for Tots, Pet Helpers, Buddy Walk, LiveLoveHope, and Troop Care packages. Our community works together to ensure all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate. At Moultrie, we strive to live up to our school motto: “Doctrina Perpetua.”

Philanthropy and Community Development:

8th Grade Beta donated over \$2,000 to local charities

Student Council Donated over \$2,000 to local charities

School Statistics:

Enrollment: 800 Students
Grades 6-8

Student Demographics

- 80% White
- 11% African American
- 9% Other
- 24%- Free and Reduced Lunch
