

## Purpose

South Carolina statute (Act 135 of 1993) requires School Improvement Councils to report to parents by April 30 each year the progress the school is making to achieve the goals and objectives of the Strategic Plan. It is a report unique to each school developed by the council to share the challenges and successes of the school, students, parents, and teachers for the current school year.

## Student Achievement Goal

**We will increase the number of students meeting or exceeding expectations on state standardized testing by....**

- Encouraging students to do their best.
- Providing students with the best instruction possible.
- Encouraging parent involvement and support in their child's schooling.

## Title I Parent Involvement

**Parents can support their students and our school by:**

- Participating in Parent-Teacher Conferences.
- Read information coming home about school.
- Read with your children.
- Take an active role in your child's learning.
- Have your students at school each day and on time.
- Attend family programs and events.
- Keep up with information on the school Website and school Facebook page.

## About Us

**North Charleston Elementary serves 500 students in the 4 year old Child Development program to the fifth grade. The school is a one to one school with every student starting in Kindergarten having either an iPad or Chromebook. The school also had a multi-purpose room/gym, two computer labs, art room, music room and a media center for students to visit.**
