North Charleston Elementary School Annual Report for **2013-2014**

NCES Mission Statement:

At North Charleston Elementary School, we know that every student differs and must be challenged to work to his/her potential. TOGETHER we will maintain high expectations and promote academic excellence for all students.

We know that successful education occurs when the student, parents, and the school work TOGETHER in the responsibility of preparing our children for the continuing educational experiences ahead of them. Therefore, we will create and support a school environment in which all children and adults feel welcomed, respected, trusted, and an important part of the school.

TOGETHER, Team NCES will foster a positive, caring school climate which encourages students to be confident, competent, responsible and productive citizens in a diverse, ever-changing world.

Superb Instruction

At NCES, we provide rigorous instruction to constantly improve our South Carolina School Report Card.

Primary Grades Academies for K-3 students, implementing small-group instruction and intervention strategies in literacy for at-risk students.

Site based SAIL and Academic Enrichment classes for 3rd - 5th grade, state-identified Gifted and Talented and high achieving learners.

Team Planning for Lesson Planning to ensure all teachers meet SC Standards.

Regular benchmark assessments via MAP, AIMSWEB and DRA to measure student growth and determine areas that require curriculum modification to meet every child's needs.

WINGS an educational program that teaches emotional and social skills after school.

Succeeding With Increased Motivation After School Tutoring Program.

Supplementary Computerized Programs – Study Island.

Advancing Literacy Program for CD- K Students.
