

OAKLAND ELEMENTARY SCHOOL

2022-2023 REPORT TO PARENTS

STUDENT EXPERIENCES

IN SCHOOL EXPERTS

Students learn from community experts such as Birds of Prey, Engaging Creative Minds, and SC DHEC Environmental Education Programs.

FIELD TRIPS

Students of all grade levels attend off-site field trips. This year locations have included Magnolia Gardens, Folly Beach, Caw Caw, South Carolina Aquarium, and so many more!

CLASS PROJECTS

Our students learn communication and collaboration skills through curriculum-based group work.

COMMUNICATION

All students use agendas for daily homework assignments and home/school communication. Teachers conduct required first and third nine weeks conferences with parents of each student in their homeroom. Home-school folders go home each Wednesday and The Orca Update, our school-wide newsletter goes home once a month. This newsletter details relevant information and upcoming events. We use Blackboard for important communication as well as our school website.

DATA – DRIVEN

At Oakland Elementary School we make data-driven decisions that benefit students and work vigorously to ensure that all of our students receive a high quality education with a variety of interactive and engaging experiences to include off campus field experiences and expert guest speakers.

TEAM APPROACH

A student concerns team (MTSS – Multi-Tiered System of Support Team) addresses individual student needs.

iReady and Fastbridge reports, and standardized test data are utilized to identify students that need assistance to reach their maximum potential.

Interventions are incorporated into student schedules and we monitor student progress to ensure that the interventions are yielding desired results.

PBIS CELEBRATIONS

KONA ICE

GIANT SLIDES

RAINBOW DAY

COSMIC BOWLING

CELEBRATING SUCCESS

All students have opportunities to receive awards. They earn ribbons for iReady gains and recognition at nine weeks awards ceremonies in all grades (principal's list, honor roll, most improved, and good citizenship awards). A monthly Terrific Kids program recognizes a good citizen from each class. We are a PBIS (Positive Behavioral Interventions and Supports) school. Monthly celebrations encourage students to meet their PBIS behavior goals. We utilize these systems to create a structured, pleasant, and productive learning environment for all students.
