Additional Information

RSM Middle/High School is the home of the Trojans. We are a small, rural combined middle/high school in the heart of Peach Country with a wealth of tradition and a strong connection to our community. In the next several years, construction will continue, eventually resulting in a K-12 campus on this location.

Our students are committed to being responsible neighbors and productive members of the community. RSMMHS enables all students to be able to develop the world class skills and career characteristics of the Profile of the SC Graduate through a direct focus on literacy and critical thinking skill development in all classes. Our students develop connections to quality post-secondary opportunities including two-year and four-year colleges through participation and success in advanced coursework emphasizing dual enrollment opportunities as a result of a continued partnership with Aiken Technical College.

Our staff encourages students who may not be planning on attending a four year college to take the steps necessary to become 21st century career ready through enrollment at the Aiken County Career Center and attaining work-based learning opportunities. In our guidance conferences with our students, we focus on helping our students develop reasonable plans to achieve their dreams. Each month, we meet in small groups to discuss character values, such as integrity, cooperation, and judgment. Through it all, we strive to keep in synch with surrounding community, thus remaining “the center of the community.” Please stop by and see us sometime up on the Ridge.
