

Greetings from the SIC

The School Improvement Council at Malcolm C. Hursey Montessori School is excited to report on the accomplishments of our students and staff during the 2021-2022 school year. We are striving for excellence inside and outside of the classroom by embracing the use of technology, engaging our families in the learning process, and building a strong community of learners. We have students in our Montessori classrooms that participate in The Liberty Hill After School Literacy Program, Reading Partners, Joseph Fields Farm, Strings, Garden Classroom, Kids Market, Stem, Robotics and Service Learning.

Sincerely,

Mr. Robert Fludd

Mission

To develop invested relationships with open communication between students, staff, families and the community; to create a child centered, hands-on invitational prepared environment where all students are expected to be high achievers and act responsibly as global citizens; to learn together in a professional learning community; and to provide a positive climate and culture, with respect for self and others through grace, courtesy, and a passion for learning are felt, heard, and seen.

Purpose of the Report

"This Report is issued by the Hursey Montessori School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."
