

Greetings from the SIC Chair

The School Improvement Council at Malcolm C. Hursey Elementary School is excited to report on the accomplishments of our students and staff during the 2015-16 school year. We are striving for excellence inside and outside of the classroom by embracing the use of technology, engaging our families in the learning process, and building a strong community of learners. We have students in traditional and Montessori classrooms that participate in Lunch Buddies, Reading Partners, the Running Club, Strings, Garden Classroom, Kids Market, the Elementary Learning Community activities and youth basketball.

Sincerely,
Ms. Carole Hernandez

Mission

To develop invested relationships with open communication between students, staff, families and the community; to create a child centered, hands-on invitational prepared environment where all students are expected to be high achievers and act responsibly as global citizens; to learn together in a professional learning community; and to provide a positive climate and culture, where respect for self and others through grace, courtesy, and a passion for learning are felt, heard, and seen.
