What is SIC?

In South Carolina, a School Improvement Council is an advisory council to the principal and school on issues related to school improvement. By law, every K-12 public school in South Carolina must have an SIC that is made up of parent, teacher, student (grades 9-12), and community member representatives. The principal is an ex-officio member of every SIC. A SIC may create additional ex-officio positions such as the school's Teacher of the Year, PTA or PTO President, past SIC Chair, or a representative of the school's Title I Advisory Committee.

Purpose of SIC Annual Report

Purpose of the SIC Annual Report Each year the SIC and our administration is charged with preparing an Annual Report to the Parents/Community in accordance with South Carolina law. The purpose of this report is to serve as an overview of the school year's progress towards goals and objectives outlined in the School Improvement Plan. Inside this letter you will find many facts, success stories and an overview of our school improvement goals through which we work to close the achievement gap and improve our academic standing. We at HHIHS are fortunate to have teachers and staff who go above and beyond for our students and their families. Our community and school continue a strong show of support, compassion and cooperation. I am proud to serve as a parent leader in the HHIHS community and personally ask that you consider becoming involved in our efforts to make our school the best it can be. There is no greater reward than serving our children and their education.

SIC Annual Goals

- Provide opportunities for all children to meet Academic Standards.
- High quality and ongoing PD for teachers and staff.
- Increase parental involvement.
- Strengthen the school to community relationship.
- Create a safer environment around the perimeter of and surrounding community.
