

SPRINGFIELD ELEMENTARY SCHOOL: "Excellence is our Standard"

Mission Statement

The mission of Springfield Elementary School is to provide the opportunity to develop the maximum potential of every student by establishing the building blocks for life's challenges. The whole child will be nurtured in a safe, stimulating, and progressive learning environment in which responsibility and respect for themselves and others are affirmed. This environment is created through the team effort of a highly professional staff, active parents, a supportive administration, and a caring community.

School Highlights

Effective PBIS program, including school-wide daily points system and quarterly incentives for students

2015 ACT Aspire Results

The following table compares the percentage of students in grades 3-5 scoring Exceeding and Ready at Springfield to the CCSD average as well as the state average.

ACT Test	Springfield	CCSD	State
English	70.6%	70.5%	67.9%
Reading	32.9%	41.8%	37.2%
Math	49.1%	51.7%	46.7%
Writing	25.9%	28.8%	24.4%

2015 PASS Results

In 2015, 4th and 5th grade students took the Palmetto Assessment of State Standards (PASS) in both Science and Social Studies. The following table shows the percentage of students scoring Exemplary and Met on each assessment.

PASS Test	4th Grade	5th Grade
Science	78.1%	47.3%
Social Studies	91.8%	66.2%

EEA/Federal Accountability Rating System

The following table shows the points/grades Springfield received beginning in 2012. Schools were not rated in 2014-2015 and will not be rated for state accountability purposes until Fall 2017.

Year	Points	Grade
2012-2013	95.5	A
2013-2014	92.9	A
2014-2015	n/a	n/a

Springfield is a Talent Development Academy

What is a Talent Development Academy?

Talent Development Academy is designed to transform selected Title I elementary schools into Talent Development Academies (TDAs), places of rigorous and high level learning where academic talent is nurtured and developed, where underrepresented gifted and talented (GT) students become identifiable and perform at higher levels of achievement. Teachers will serve as Talent Scouts, finding and developing students' talents using research-based curriculum and strategies in English/Language Arts, Mathematics, and Science. This is a five year grant (2015-2016 is year one) funded through the US Department of Education, Jacob Davis Gifted and Talented Education Act.

Our strong partnership with The College of Charleston will ensure successful implementation of this rigorous and challenging curriculum. Teachers have monthly professional development led by C of C Education Department in order to grow gifted minds.

We will grow gifted minds through academic innovation with curriculum and strategies that are proven to elevate thinking and promote learning and engagement. We will focus on building strengths by emphasizing development of potential and not remediation. This focus will be on advanced content, thinking, and growth.

The strategies will be implemented with rigor, high interest, and high expectations.

Talent Development Academy at Springfield

ELA content and instructional strategies incorporate two programs: Jacob's Ladder (a reading comprehension program for grades K-5) and Navigator's (a reading program designed for group activities and independent studies).

Science instructional strategies encompass Clarion Science Units and U-Stars Plus: A Science and Literacy rich program that allows students to simulate the work of real scientists.

Math instructional strategies center around Project Mentoring Mathematical Minds designed to nurture young student mathematicians. Students will use graphic organizers and thinking skills to scaffold from simple to complex, from lower to higher level thinking.

Message from the Principal and the SIC Chairperson

Located in the heart of the Ashley River historical district, Springfield Elementary School is one of the few remaining neighborhood schools in Charleston County. Springfield is committed to increasing student achievement for all students who enter our doors. Highly qualified teachers differentiate instruction to meet the needs and learning styles of each child. Springfield continues to achieve performance excellence by supporting the district's Core values: Results, Access, Partnerships and Diversity. Teachers collaborate to improve instruction and implement inclusion, creating a constructive professional learning community.

Quarterly SPIRIT Rallies are held to recognize exemplary student performance in both academics and citizenship.

Springfield is always welcoming parents to participate and to become an active part in our school PTA, Title I Planning Team, and School Improvement Council. High parental involvement ensures that the entire Springfield community is working together for the welfare of our students.

Springfield integrates cutting-edge technology with the South Carolina College and Career Readiness Standards. Each classroom is equipped with a SMARTboard, desktop computers, document camera, teacher iPad, and laptop computer to use for instruction. Nine classrooms integrate technology further with iPads for each student. Students have access to two computer labs on a daily basis. Each lab is equipped with 30 state-of-the-art desktop computers, a SMARTboard, and networked printer. The labs are used for technology integration into the curriculum. Finally, the media center houses technology available for check-out, including a portable laptop computer lab with 30 laptops and 21 iPod touches.

At Springfield, students come first!
