School Theme:

Individually we are one drop.
Together we are an ocean.

Mission Statement:

The mission of St. Andrew's School of Math and Science is to prepare students to become confident, competent, responsible, and self-motivated 21st Century learners by providing an environment where students think critically and creatively, communicate clearly, and respect individual differences, rights, and responsibilities.

Purpose of the Report

"This report is issued by the SASMS School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."

SIC Annual Goals

- **Community Relations** - The SIC team is continually communicating and listening to Community needs.
- **School Renewal Plan Assistance**- The SIC team participates in the review and development of Goals and Action Steps in the School Renewal Plan.
- **Curriculum Input**- The SIC team participates in informational presentations and status updates on new curriculum that are used in various grade levels.

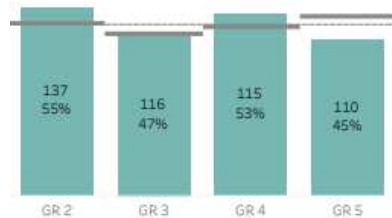

PTA Projects

- **Shade for the Playground**- As a result of extensive fundraising, the PTA purchased five different shade options for the upper grade playground.
- **Event support**- Funded Birds of Prey, Diamond Dell Rock Experience
- **Classroom Needs**-Fulfilled Teacher Requests for classroom supplies and teaching tools.
- **Field Trip Support**:- Provides funds to pay for field trip costs for students who have a financial need.
