## Additional Information

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by making standards based teaching the top priority. Moving more students to proficient and advanced levels, literacy improvement and teacher quality have been our other key initiatives.

Stono Park staff continues to grow professionally to refine their teaching practices. The faculty participates in Teacher Curriculum Team meetings, monthly faculty meetings and professional development sessions. Standards-based instruction delivered by high performing teachers serves as the foundation of our core work. The school earned an Absolute Rating of *Good* based on the most recent state report card results. Stono Park also met ESEA objectives with an overall grade of "**A**". Under the Elementary and Secondary Education Act, Stono Park received the designation of Title I Reward School for Performance being among the highest performing Title I schools in a given year.

Our students participate in school-wide Book of the Month units, instructional field trips and computer assisted instructional programs like *Edgenuity* to support the core curriculum. We have a Pre-School club that is innovative in promoting literacy and supporting parents. A fresh fruit and vegetable grant helps us to encourage healthy living and choices with a daily snack option to students.

We engage our families and the school community in the educational process every chance we get! An annual Meet the Teacher/Open House night, quarterly parent newsletters, weekly preview sheets, PTA meetings, School Messenger calls and an Annual Reading Celebration all contribute to building strong partnerships. We look forward to establishing new alliances with business partners and volunteers each year.
