Mission Statement:

The Whitesides Family will provide the highest quality of education through a challenging curriculum in a safe, nurturing environment that builds leadership skills, develops an appreciation for diversity and promotes individual creativity. Our goal is to engage students in a program of academic excellence that will prepare them to be independent, responsible citizens in our community.

Whitesides Elementary School

2024-2025 Annual Summary Highlights

The 2024-25 school year was very successful for the students and staff at Whitesides. We made several upgrades to our building, including new flooring in all of the classrooms, an extended carloop and exterior landscaping, an upgraded CD/K playground and new paint throughout the full interior of the building.

Some Year Highlights

Whitesides Elementary School earned an **EXCELLENT** overall rating on the SC School Report Card. Our students continue to perform above state and district norms. Our highly-qualified teachers use research based practices to support our students and our students take ownership of their learning.

Our school goals focus on academic achievement, professional development and community relations. Specific strategies are developed to support the attainment of each goal. Our active PTA helps to provide integral programs that benefit all students at Whitesides. Through the PTA and specific school and classroom activities, parents have the opportunity to be involved in the education of their child.
