

Ashley River Creative Arts Elementary School

2022-2023 Report to the Parents

About Our School

Ashley River Creative Arts Elementary School was established in 1984 as one of the first magnet schools in the Charleston County School District. We were created with the vision of providing an arts integrated curriculum that would benefit all students. Our school serves students in the West Ashley area of Charleston and a small neighborhood zone. Our teachers, staff, and parents have worked hard over the past 38 years to create and maintain an environment of academic and arts excellence. We continue to be a leader in arts education in our district, state, and nation. Thank you for your support of our program and your children.

Our school is a member of the Arts in the Basic Curriculum Institute, South Carolina Arts Alliance, and Palmetto State Arts Education Association.

Arts Advocacy is essential to our continued success. Please join us in thanking our school board and legislators for the support given to arts in education.

Mission Statement

In partnership with parents and community, we will provide all students the opportunity to reach their maximum potential through an arts integrated academic curriculum providing relevant, diverse, and challenging learning experiences in a safe and positive environment.

Special Area Classes

All students participate in two special area classes a day including:

- Visual Arts: exposure to art history, opportunity to work in all types of mediums including textiles, ceramics, and set design
- Music: playing instruments such as ukuleles, xylophones, drums, opportunity to move to music, create music, and exposure to a variety of composers and genres
- Drama: basic acting techniques, theater history, performances, puppetry, improvisation, and script writing
- Cultural Arts: introduction to second language, study of Hispanic culture and history
- Physical Education: creative movement through fundamental movement, rhythmic movement, gymnastics, an introduction to a variety of sports
- Suzuki Violin/Orchestra: basic Suzuki instruction with required guardian involvement in K-3; string instruction with note reading in grades 4 & 5
- Ballet: dance instruction in traditional ballet
- STEAM: project based tasks using science, technology, engineering, art, and math to engage students in collaborative real-world problem solving
- Media Arts: lessons focused on ELA skills especially reading, writing, speaking, and listening, participating in research, and exposure to a variety of genres, texts, and authors
