About CEW

In the 2020-2021 school year, CE Williams and West Ashley Middle Schools combined into one CE Williams Middle School. In order to accommodate the increased student population, all 6th grade students attend the CE Williams North Campus located on the former West Ashley Middle School campus. All 7th and 8th grade students attend the CE Williams South Campus which is located in a brand new facility.

Each Campus is able to be developmentally responsive to their respective student population. Each campus provides a wide range of course offerings to meet the needs of each student.

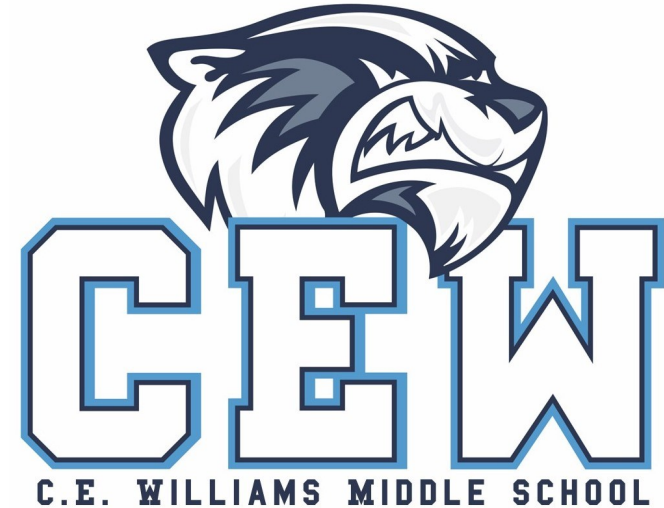

Furthermore, each campus utilizes PBIS and SEL instruction to create a supportive environment built on our five principles of Prepared, Respect, Integrity, Dedicated, and Engaged.

Two of the top three middle school spots in the MUSC Septima P. Clark Poetry Writing Contest went to CEW South. In the photo (from left to right) are Charleston's Poet Laureate, Marcus Amaker, 7th grader Elizabeth Wheelon who took the 3rd place, Ms. Elizabeth Hoy, Creative Writing teacher, and 8th grader, Lizzie Meden who took 1st place! Wolverines have talent!

CEW Mission

Support the academic and developmental needs of middle grades learners and prepare them for high school, college, and careers in a global economy.

Riley Grammer, a seventh grader at CEW South Campus won the middle school level of the 2022 Annual TeenSpot Black History Essay contest.

School Structure

Core content teachers are arranged in interdisciplinary teams that include a math, science, social studies, and English/Language Arts teacher. Scholars attend each of these classes daily as well as two Encore classes.

Using the teaming structure is developmentally responsive for the middle level adolescent. It provides greater freedom than the traditional elementary model while still creating a sense of a smaller community in a larger setting.
