# About CEWMS

C.E. Williams Middle School for Creative and Scientific Arts (CEWMS) believes in the unique abilities and talents of all students. In order to develop these talents, we provide high-level instruction and various opportunities in the fine arts, national and local clubs and organizations, athletics and various academic competitions.

To further prepare our students for the 21st century, we provide additional instruction and opportunities in the arts and sciences. We partner with Engaging Creative Minds, an organization that provides residencies and training for professional artists to work with core content teachers for arts integrated instruction and experiences.

We also provide various STEM opportunities through our Lego Robotics and Sea Perch Remotely Operated Vehicles Teams as well as through our Google Computer Science after school classes.

CEWMS is truly a dynamic school and our faculty and staff strive to provide the best experience possible for our students.

As we always say,

***"It's a great day to be a mustang!"***
