Teacher of the year

School Renewal Plan Goals/Supporting Activities

Student Achievement:

- By Spring 2012, 80% of students will score at the met or exemplary level in the four core areas of PASS
- By Spring 2012, 70% of students will score at/above the 50% on MAP

Teacher/Leadership Quality:

- By Spring 2012, 85% of highly qualified teachers will be returning (Data source: State School Report Card)

School Climate:

- By Spring 2012, 90% of stakeholders will indicate satisfaction with the learning environment, social-physical environment and home school relations as measured by the State Report Card Survey.

Supporting Activities:

- Analyze and use data to plan and evaluate instructional strategies and programs.
- Reduce performance discrepancies among groups of students (African American & Caucasian) to below 5%.
- Use mobile lap top labs and computer lab to provide students with more opportunities to practice Math, ELA, Science and SS and to improve research skills.
- Implement research based strategies and use of technology to enhance instruction and improve student achievement.
- Integrate technology into classroom instruction to provide students the opportunities of involvement with a variety of technology.
- Use research based strategies to ensure that students receive instruction through a variety of modalities and learning styles.
- Utilize Measures of Academic Progress as a diagnostic tool to track student progress and set goals.
- Utilize professional learning community meetings to facilitate deeper analysis and reflection of instructional practices.
- Provide for a collaborative culture with a focus on action and results-oriented learning with a commitment to continuous improvement of teaching and learning.
- Create safe, orderly and supportive learning environments and hold high expectations for students.

School Mission Statement

The mission of Aiken Elementary is to meet the educational needs of our students through a challenging, innovative, standards-based curriculum in a safe environment supported by parents and community.

Beliefs:

- Student learning is the primary focus of all decisions.
- All students have the ability to achieve.
- The school, community, parents and students form an educational partnership
- Each student's worth and diversity is respected and valued.
- Instruction incorporates a variety of strategies to accommodate differences in learning styles, interests and needs.
- Technology is readily available to all students and staff and integrated into the curriculum.
- All students are responsible and accountable for their decisions and actions.

How Parents Can Become Involved:

- Parent-teacher Conferences
- Title one meetings
- PTA/SIC meetings
- Field trips
- Open house
- Lunch with your child
- School sponsored activities
- Surveys
