

Greetings,

Welcome to the 2021-22 school year! Our quest for providing all children with a quality education has not changed. We have remained true to the teaching of the school's founders, Mrs. Martelle Robinson and Mrs. Harriett Wilder,

...to build, teach, and model educational and leadership opportunities that empower ALL students to be tomorrow's leaders, today.

As we started the 20-21 school year, we were still confronted with the challenges of COVID. The CPA staff continued to implement virtual lessons, meetings, and professional developments. Communication with parents continued during this unforeseen time through CCSD's Blackboard Communication System. However, after Winter Break things stabilized and we have been on track with instruction, learning, and activities since.

As we continue to implement the 7 Habits to create a foundation for success for every student at CPA, I challenge all parents to implement the 7 Habits in their home and to be an active partner in your child's education. CPA will be going through LIM Lighthouse Recertification in 2023. We are proud to be a Stephen Covey Lighthouse School and to share this honor with you!

Educationally yours,

Wanda Sheats, Principal

2022—2023 Goals

- ◆ Continue to provide tiered support through primary and elementary intervention programs
- ◆ Infuse Science, Technology, Engineering, Arts and Math (STEAM) into the curriculum
- ◆ Develop opportunities for student voice and planning as a Leader in Me component of our magnet program
- ◆ Implement reader's and writer's workshop in grades K—5
- ◆ Continue the development of the school's leadership focus utilizing Stephen Covey's leadership principles
- ◆ Continue integration of LIM and PBIS goals to enhance school's environment
- ◆ Continue to promote parental involvement through positive communication
- ◆ Continue our focus on fitness and wellness through the participation of our school gardening program, Kids in the Kitchen, and fitness activities for our faculty and staff

2021-22 Academic Goal

By Spring 2022 50% of our students will increase one level in math (69) and one level in reading (75) as indicated on the MAP assessment.

CPA Leadership Student Pledge

WE can do all things because we have power within us!

WE can choose to *Be Proactive & Begin With the End in Mind*

To be our personal best, *WE will Put First Things First*

Because WE are a CPA Family,

WE Think Win, Win and Seek First to Understand & Then to Be Understood

WE come to CPA to learn, WE will learn

As WE *Synergize, Sharpen the Saw,*

& Become the Best Leaders

WE Know WE Can Be!

Curriculum Highlights

In an effort to continue the level of rigor and relevance of instruction that earned CPA a report card rating of "Good," the principal, leadership team, and SIC developed the School Renewal and Title I plans with the following initiatives and goals:

- ◆ Provide continuous professional learning opportunities for faculty members on best instructional practices
- ◆ Analyze various test data to differentiate instruction, set student growth targets, and plan instruction
- ◆ Use adaptive digital content to supplement instruction in reading, math, social studies and science such as: IXL, iReady, and Mastery Connect to name a few
- ◆ Provide opportunities for parents to connect to curriculum expectations by sponsoring virtual literacy, math, and parenting activities
- ◆ Provide an extended year and day program through the Community of Schools (Kaleidoscope & Epic in the summer) and Outschool.Org (virtual supplementary instruction)
- ◆ Promote school-wide balanced literacy through the implementation of reader's and writer's workshop and cross curricular vocabulary strategies
- ◆ Through play-based instruction, our Child Development Program focuses on language/literacy, numeracy, and social-emotional development.
