

Greetings,

Welcome to the 2017-18 school year! Our quest for providing all children with a quality education has not changed, and we remain dedicated to our mission:

...to build, teach, and model educational and leadership opportunities that empower ALL students to be tomorrow's leaders, today.

This year our focus was to complete the criteria to achieve Lighthouse Status as a Leader in Me Magnet School, and guess what? We met our goal! Charleston Progressive is the first CCSD School to be certified by Franklin Covey Education as a Lighthouse School. The components that we implemented are the same components that are embedded in the Profile of a South Carolina Graduate: world class knowledge, world class skills and life and career characteristics.

As we continue to implement the 7 Habits to create a foundation for success for every student at CPA, I challenge all parents to implement the 7 Habits in their home and be an active partner in your child's education by participating in our Parenting Partners Sessions. We are proud to be a Covey Lighthouse School and to share this honor with you!

Educationally yours,

Wanda Sheats, Principal

CPA's History

Charleston Progressive Academy (CPA) was founded by two retired Charleston County teachers and business owners, Martelle W. Robinson and Harriet W. Wilder in 1997. Mrs. Robinson was the owner of Mother Goose World of Readiness and Mrs. Wilder the owner of Hope's Treasure Chest. The grade configuration at the time CPA was founded was kindergarten through second grades with a grade to be added each year until it reached fifth grade. The school's magnet focus at the time of inception was multiage and thematic based instruction. Martelle Robinson was the school's administrator and Harriet Wilder the Curriculum Coordinator. Martelle Robinson served as the school's administrator until her death in 1999, at that time Brenda W. Williams became the school's administrator and served until 2005. Since 2005 Wanda Sheats has served as the school's administrator.

In an effort to increase the level of rigor and relevance of instruction in the classroom on all grade levels, the principal, leadership team, and SIC developed the School Renewal and Title I plans with the following initiatives and goals:

- ◆ Provide continuous staff development for faculty members on best instructional practices
- ◆ Analyze test data (MAP) to differentiate instruction, set student growth targets, and plan instruction
- ◆ Use computer based instructional programs to supplement instruction in reading, math, social studies and science utilizing IXL, Lexia, Dreambox, and Reflex Math to name a few
- ◆ Provide opportunities for parents to connect to curriculum expectations by sponsoring Literacy and Parenting activities
- ◆ Provide an extended year and day program through the Community of Schools (Kaleidoscope & Epic in the summer)
- ◆ Promote schoolwide balanced literacy through leadership based books of the month, read alouds, writing days, and involving all stakeholders in career and literacy awareness activities
- ◆ Implement personalized learning strategies through the use of CCSD's 1:1 iPad or Chromebook initiative
