

Pinckney Elementary School

2018-2019 SIC Annual Report to Parents

#BeTheOnePinckney

It only takes one person to make a difference in a child's life. Pinckney staff pledged to #BetheOne!

Mrs. Thrift was recognized by Library Journal as a 2019 "Mover and Shaker Educator." Her innovative and high tech lessons help our students develop world class communication and technology skills!

Alfred Mercier stated, "What we learn with pleasure we never forget." Within the classroom, I strive to create an environment that is safe, nurturing, engaging, but also rigorous. To be a "Wild Card" teacher, I use my creativity to keep the students actively engaged by using songs, art, movement, technology, STEAM activities, costumes and surprises during lessons. When I am having fun teaching, the learning comes naturally for the students. I love what I do! I am blessed to be a teacher here at Pinckney!

Starbucks Room

Pinckney's teachers have ventured to increase student engagement through room transformations. These rooms allow students to make connections and see real-world relevance of learning! Rooms have transformed into surgical rooms, Jurassic Park, Starbucks, a pizza parlor, and Toy Story, to name a few.

Students Who Scored "Meets or Exceeds" on State Standardized Tests.

We have 60 students from 4th and 5th grades in Beta Club at Pinckney Elementary! The National Beta Club encourages students to think critically about personal leadership styles and strengths while reflecting on the purpose of "leadership" in their lives and communities. At Pinckney, we are helping grow our leaders of tomorrow!
