Mission Statement

"At Charles Pinckney Elementary, we are committed to providing each student an extensive range of educational opportunities in a nurturing environment. The staff and faculty, in partnership with families, ensures a healthy balance of rigorous instruction, extracurricular activities, and social opportunities for our students."

Teacher of the Year, Rebecca Kohler

Being selected as Pinckney's Teacher of the Year has been a great honor! As an educator who puts students first, being selected as Teacher of the Year has validated that my colleagues also value this characteristic for our school. Working alongside coworkers to help improve our campus has been rewarding to build a positive school culture together. Moving into my term as Teacher of the Year, I look forward to representing our faculty and staff and being their voice during district meetings. It means a world of respect to be recognized as Pinckney's Teacher of the Year!

THANK YOU TO OUR ENTIRE PINCKNEY COMMUNITY!

Our Pinckney families stepped up in a huge way and raised over \$50,000 during our first Color Run fundraiser, partnered with Boosterthon. These funds will directly impact our school as we continue to implement best practices in teaching the "whole child" across grade levels.

Mary Furches Grant

This grant was created by Pinckney's School Improvement Council in memory of Mary Furches, a beloved fifth-grade teacher. The grant supports innovative teaching practices and opportunities for students.
