

Pinckney Elementary

2017-2018 SIC Annual Report to Parents

Pinckney's Teacher of the Year: Mrs. Langley

This is Mrs. Langley's 6th year teaching at Pinckney and she is very excited to have your children in her class! A Clemson graduate and native of Mt. Pleasant, Mrs. Langley is an active Clemson alumni and loves to watch Tiger football. In her free time, she loves the beach, local shopping, and hanging out with her husband. Mrs. Langley creates a positive, nurturing environment where her students feel confident and fearless. She provides a sense of security, where each child does not feel intimidated about learning.

Differentiation and arts integration are key components that she uses to drive student achievement and excitement for learning in her classroom. Among our faculty, Mrs. Langley is seen as an exemplar for teaching!

School Resource Officers

Pinckney has some of the finest Mt. Pleasant police officers serving as our School Resource Officers! Meet Officers Walker and Frederick who have been with MPPD for several years. Other frequent SRO's include Officers Clark, Martin, Harper, and Farrell. Our school appreciates their service in keeping our campus safe!

Platinum Energy Award

Pinckney received the Platinum Energy Award for being 100% compliant with the school district's energy saving measures. This award came with an \$8,000 check for our school!
