## Mission Statement

"At Charles Pinckney Elementary, we are committed to providing each student an extensive range of educational opportunities in a nurturing environment. The staff and faculty, in partnership with families, ensures a healthy balance of rigorous instruction, extracurricular activities, and social opportunities for our students."

## Teacher of the Year, Susan Grayson

I am incredibly humbled and grateful to be awarded 2024 Teacher of the Year. It's such an honor to be selected by my colleagues to represent Charles Pinckney Elementary. Teaching is not just a job to me; it's a calling, a privilege, and a journey of love and dedication to children. I would like to take the opportunity to thank my family, CPE faculty, staff, administration, and parents for their unwavering love and support through all the joys and challenges that teaching brings. Together, we make a difference in the lives of our students, and I'm honored to be a part of this amazing community. Here's to many more years of learning, growing and shaping young minds. Thank you all!

## THANK YOU TO OUR ENTIRE PINCKNEY COMMUNITY!

Our Pinckney families continued to step up in a huge way and raised over \$50,000 during our second Color Run fundraiser, partnered with Boosterthon. These funds will directly impact our school as we continue to implement best practices in teaching the "whole child" across grade levels.

## Mary Furches Grant

This grant was created by Pinckney's School Improvement Council in memory of Mary Furches, a beloved fifth-grade teacher. The grant supports innovative teaching practices and opportunities for students.
