Mission Statement

"At Charles Pinckney Elementary, we are committed to providing each student an extensive range of educational opportunities in a nurturing environment. The staff and faculty, in partnership with families, ensures a healthy balance of rigorous instruction, extracurricular activities, and social opportunities for our students."

Teacher of the Year, Brianna Gibson

I am grateful to be recognized as Charles Pinckney Elementary's Teacher of the Year. Pinckney is where I began my teaching career fifteen years ago, and it is where I plan to stay forever. The administration, teachers, families, and students are unmatched and bring so much joy to my life. I am grateful for the love, support, and encouragement I've received over the years, and I would not be the teacher I am today without the people and families I work alongside. Thank you for allowing me to represent our wonderful school.

Spelling Bee

Our Pinckney families continued to step up in a huge way and raised over \$50,000 during our second Color Run fundraiser, partnered with Boosterthon. These funds will directly impact our school as we continue to implement best practices in teaching the "whole child" across grade levels.
